Greetings,

The Chicago Metropolitan Agency for Planning (CMA) and the Phillip D. Peters Regional Planning Fellowship Board of Directors are pleased to announce the availability of a planning fellowship in 2017. The fellowship competition is open to students currently enrolled in a Master's degree graduate program in urban planning or a related field. Priority will be given to those students midway through their graduate program.

The fellowship will be awarded during spring 2017. The fellow will work with CMA for 400 hours over a consecutive period between May 2017 and December 2017.

The position announcement, application guidelines, and faculty member recommendation form may be viewed and printed from the CMA website; www.cmap.illinois.gov/careers. Please note that the deadline for receiving all application materials is Friday, February 10, 2017. The fellow will be announced in late March. For your convenience I have also attached the forms listed above to this email.

Questions regarding the fellowship should be directed to Yesenia Ambriz, HR Admin at (312) 386-8660 or yambriz@cmap.illinois.gov.

Thank you for your assistance.

Sincerely,
